

Task Force on Anti-Christian Bias

On February 6, 2025, President Trump enacted Executive Order (EO) 14202, Eradicating Anti-Christian Bias, establishing a Task Force to review the last Administration's treatment of Christians.

Accordingly, the Department of Veterans Affairs (VA) is establishing its own Task Force to better effectuate the Department's internal review. The VA Task Force now requests all VA employees to submit any instance of anti-Christian discrimination to Anti-ChristianBiasReporting@va.gov.

Submissions should include sufficient identifiers such as names, dates, and locations.

While the VA Task Force will review all instances of anti-Christian bias, it is specifically seeking the following:

1. Any examples of adverse actions taken in response to an accommodation request;
2. Any retaliatory actions taken in response to religious holiday observances;
3. Any adverse responses to requests for religious exemption under the previous vaccine mandates;
4. Any denied request for a religious accommodation;
5. Any mistreatment or reprimand issued in response to displays of Christian imagery or symbols.
6. Any observations of mistreatment for not participating in events or activities inconsistent with Christian views;
7. Any retaliatory actions taken or threatened in response to abstaining from certain procedures or treatments (for example: abortions or hormone therapy);
8. Any informal policies, procedures, or unofficial understandings hostile to Christian views;
9. Any examples of retaliatory action against VA Chaplains in response to sermons preached;
10. Any discipline received in response to religious-based expressions; and
11. Any failure to be promoted for religious reasons.

Thank you for your attention to this important matter.
